

Follett Solutions for Marine Applications

Horizon Elite ice machine

Follett ice machines and ice and water dispensers were designed to address USPHS principles for marine/shipboard use

Horizon Elite™ C1412W ice machine

- Up to 1116 lb (507 kg) of ice in 24 hours
- Consumer-preferred Chewblet® ice
- Slow melting, maintains drink temperature
- Automatically fill bin/dispenser from 75 ft (22.9 m) away
- Robust operation in all commercial water conditions

Vision ice and water dispenser

Vision™ ice and water dispensers

- 150 lb (68 kg) or 300 lb (136 kg) undercounter ice storage
- Low profile with ice storage under the counter
- Autofill with Horizon Elite C1412W ice machine featuring RIDE® technology
- Ideal for island applications
- Safe, easy waist-height loading front or rear
