

Installation Instructions

Description

The drain accessory kit provides a contained length of tubing under the unit. The drain pan can be moved, without being disconnected, to allow access to the front panel screws.

To use the Drain Accessory Kit with the 7CI100A, it is necessary to purchase and install the 4" Leg Accessory (P/N 00956300).

If you experience any problems during the installation of this kit, please call Follett Technical Service toll-free at (877) 612-5086 or +1 (610) 252-7301 for assistance.
