

Industry first – Pressurized water sanitizing kits

Compatible with Symphony™ and Symphony Plus™ ice and water dispensers

01089572 – for use with Follett® water filtration systems
(uses existing pre-filter bowl to introduce sanitizer)

The pressurized water sanitizing process facilitates a complete sanitization of the entire ice and water dispenser when performed in conjunction with the standard ice machine and dispenser cleaning/sanitizing process.

01089580 – for use without Follett water filtration system

Kits sanitize internal pressurized water lines shown above.

Item number	Description	Contents	Net price
