

# Ice to go – optimize your hydration program

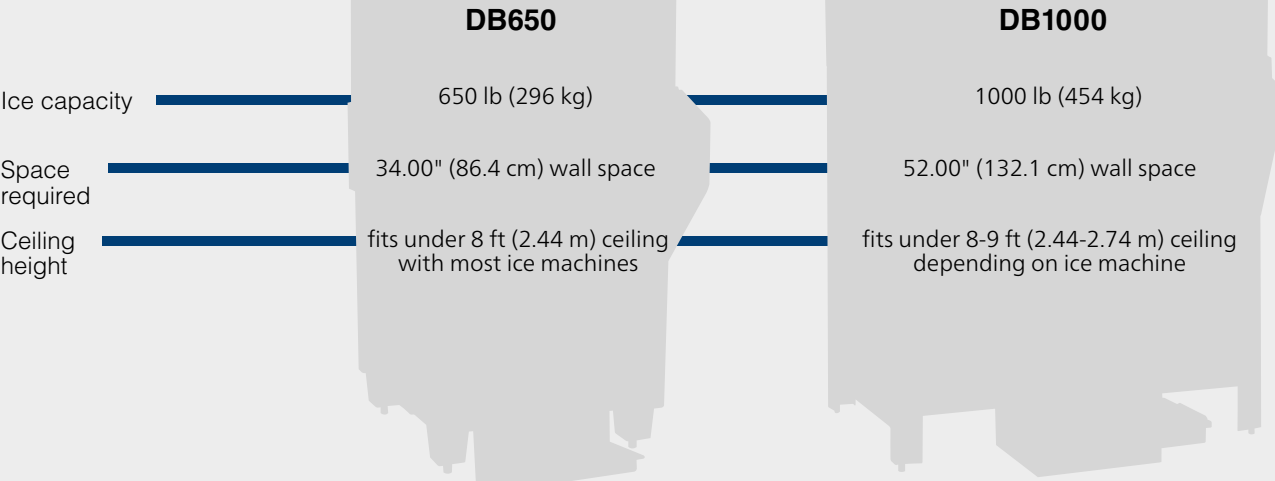

Follett’s Ice Pro™ automatic ice dispenser helps you to meet mandated heat illness program requirements with the addition of ice.

- **Secure** – restrict access to ice with lockable access window
- **Sanitary** – dispense directly into a container or bag (hands-free)
- **Versatile** – adjustable bag stand accepts 8 - 20 lb (4 - 9 kg) bags. Remove bag stand to directly fill coolers, containers and carts.
- **Fast** – automatic push-button or pedal actuated dispense up to 64 lb/min (29 kg/min)
