Ice storage, ice transport and ice handling

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need. All with features that can make your ice management easier, safer, and more sanitary.

Warranty

Single door upright bins and single door Ice•Device™ chuted bin and cart systems

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for the useful life of the product. Parts and labor for corrosion repair are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice storage and transport systems (ITS); double door upright bins; and double door Ice•Device™ chuted bin and cart systems

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice Pro™ automatic ice bagging and dispensing systems

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Slope front bins

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor required for repair within a 1 year period is covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated area.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
4. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
5. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
6. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

See following page for Terms and Return Policy

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Unless otherwise directed, Follett will contract for carriage at buyer's risk and expense**
- **FCA Easton, PA USA Incoterms® 2010**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Upright ice storage bins – single door and double door with SmartGATE® ice shield

Ice storage bins with industry-exclusive SmartGATE ice shield. Complete stainless exterior standard, including stainless back and bottom. All bins include a poly liner and corrosion-resistant ABS/poly top (single door uprights) or stainless top (double door uprights), which is custom cut for ice machine(s). 6.00" (15.24 cm) stainless steel adjustable legs and 82 oz (2.4 L) plastic ice scoop.

For additional product information, request form# 9140 for single door or 9145 for double door uprights.

¹ Add 8.00" (20.32 cm) to depth (D) for lower door assembly (easily removed for installation access).

† Purchase orders must clearly indicate the make and model of the ice machine(s) being used with the bin, to properly prepare the bin top. Lack of this information will result in a delay in order processing.

Ice storage and transport systems (ITS)

Elevated bin and cart systems use gravity-assist ice removal and castered carts to deliver outstanding labor and safety benefits. For use with Chewblet, cube or flake ice. All are equipped with poly liners, SmartGATE ice shield, and poly door with PowerHinge door hinge component². Each unit is standard with bin, base, SmartCART 240 ice cart (1, 2 or 3 depending on the number of bays) with lid and ice paddle. Full stainless exterior and base. Insulated cart is one-piece molded polyethylene with removable poly lid.

For additional product information, request form# 9130.

ITS with (2) SmartCART 240 ice carts

Ice Pro automatic ice bagging and dispensing systems

Ice storage bin with automatic agitation to store and dispense cube or Chewblet ice (made by Horizon ice machines) into bags, carts, pails or Totes ice carrier. Increased labor-savings, sanitation and safety for foodservice operators. Equipped with user-friendly control panel, lockable clear window, adjustable bag stand and insulated poly-molded ice storage area. SA models include blower and timed dispense mode for semi-automatic bag filling. Foot pedal is standard on 1000 models and optional for 650 models. Each unit comes standard with 1 wicket of 125, 8 lb (4 kg) bags.

For additional product information, request form# 3630 for E/DB650 or 2345 for E/DB1000.
