

Faster ice dispensing

Ice Transport System **ITS** Series

Rapid, gravity dispense of 240 lbs of ice into each SmartCART 240!

- 15 times faster than scooping
- One pull of the gate fills a SmartCART™ 240
- Cart can hold 6 optional Totes™ ice carriers for easy removal of ice
- Great for high volume sites like supermarkets, stadiums, arenas and any application that would serve directly from a cart
- Six models with ice storage capacities from 300 to 3200 lbs and widths from 31" to 90"

Gravity dispense

ITS bins are elevated and fitted with a bottom mounted gate to allow ice to flow out, eliminating manual scooping.

Safer transport

Dedicated ice transport carts with lids hold up to 240 lbs of ice and minimize contamination during transport.
