

Follett undercounter refrigerators and freezers

Performance Plus

Our powerful Performance Plus undercounter refrigerators and freezers are engineered for the superior temperature accuracy and heavy use requirements of hospitals and other healthcare facilities.

- Designed for use below standard 36.00" (91.4 cm) counters or 34.00" (86.4 cm) ADA-compatible counters
- Vaccine models (VAC) are certified to the new voluntary standard for vaccine storage, NSF/ANSI 456
- Flexible internal storage configuration
 - Drawers and shelves are interchangeable and can be used in combination
- Universal door bracket provides compatibility with all automated medication dispensing locking systems
- Blood bank and plasma models meet AABB, ARC and FDA standards

Edge Series™

Engineered to meet CDC guidelines in a small footprint, Edge Series refrigerators are ideal for medium to heavy duty applications.

- Designed for use below standard 36.00" (91.4 cm) counters
- Feature quiet variable speed compressor and energy-efficient natural refrigerant

Follett Advantage®

Budget-friendly Advantage refrigerators are ideal for light to medium duty applications.

- Designed for use below 34.00" (86.4 cm) ADA-compatible counters
