Return Policy

Non-standard equipment cannot be returned. Orders for non-standard equipment cannot be cancelled.

Follett equipment may be returned for credit under the following conditions:

- The equipment is new and unused
- A return authorization number has been issued by customer service within 45 days after shipment
- Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number
- The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett Products, LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice machines

Compact, reliable Chewblet® ice and flake ice machines in a variety of sizes to meet your needs. Top mount or RIDE® (ice-through-a-tube) configurations available. Follett's unique Ice Manager™ diverter valve system allows the use of ONE Horizon Elite™ ice machine with TWO storage units each up to 75 ft (22.9 m) away.

Warranty

Maestro Plus™ and Horizon Elite ice machines and remote condensing units, Ice Manager diverter valve system

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

Note: Marine units carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Follett offers the industry's largest selection, with more than 30 sizes and configurations to meet the needs of virtually any application. Symphony Plus™ ice and water dispensers offer 12, 25, 50 or 90 lb of storage in attractive, space-saving cabinets with customer-valued features, exceptional reliability, and after-the-sale service and support. Champion® ice and water dispensers are the most compact models available.

Warranty

Symphony Plus ice and water dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the Dispenser Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km) premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

Ice and beverage dispensers

Attractive low-profile ice and beverage dispensers with below-counter ice storage for a wide variety of foodservice applications. Perfect for beverage islands because visibility is not restricted. Models include QuickCARB™ beverage manifold so changing from carbonated to non-carbonated beverage is as easy as the flip of a lever.

Warranty

Vision™ ice and beverage dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Note: Marine units carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Flexi-Top ice bin top systems

Flexi-Top ice bin top systems make stocking bins simple – eliminates the need to know what specific ice machine will be used before the order. Available for 48.00" (121.9 cm) and 60.00" (152.4 cm) wide single door uprights and Ice•Devilce ice storage and dispensing systems. Contact factory for more information.

[†] Purchase orders must clearly indicate the make and model of the ice machine(s) being used with the bin to properly prepare the bin top. Lack of this information will result in a delay in order processing.
