

Big ice capacity for busy movie theaters

Horizon Elite™ Series

Never run out of ice* – Even at peak showtimes

Fill a Coke Freestyle® dispenser 2–3× faster than traditional ice machines and keep your beverage station running.

Up to 75 lb of continuous ice per hour—so your customers always get the Chewblet® ice they prefer.

- Automatically fill the dispenser from the backroom without staff intervention
- More ice production in a small footprint, perfect for high-traffic beverage stations
- Keep your beverage station open even when service or maintenance is required

* Ice machine and dispenser to be properly sized for application.
