

Upscale ice and water solution

Vision™ Series

Improved aesthetics

Create an upscale fountain area with a polished, attractive stainless steel tower.

Ideal for island counters

Keep valuable merchandising space available with less equipment in view. Auto-fill ready with Horizon Elite™ RIDE® (remote ice delivery equipment) ice machines.

Low profile

Undercounter ice storage of up to 150 lbs of ice eliminates bulky dispensers on counters. Manually-filling at waist height eliminates the need to climb a ladder to fill with ice.
