

Follett Solutions

Marine Applications

Horizon Elite ice machine

Follett ice machines and ice and water dispensers were designed to address USPHS principles for marine/shipboard use

Horizon Elite™ C1414W ice machine

- Up to 1274 lb (578 kg) of ice in 24 hours
- Customer-preferred Chewblet® ice
- Slow melting, maintains drink temperature
- Automatically fill bin/dispenser from 75 ft (22.9 m) away
- Robust operation in all commercial water conditions

Vision™ ice and water dispensers

- 150 lb (68 kg) or 300 lb (136 kg) undercounter ice storage
- Low profile with ice storage under the counter
- Auto-fill with Horizon Elite C1414W ice machine featuring RIDE® technology
- Ideal for island applications
- Safe, easy waist-height loading front or rear

Vision ice and water dispenser
