Terms and policies

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned. Orders for non-standard equipment cannot be cancelled.

Follett equipment may be returned for credit under the following conditions:

- The equipment is new and unused
- A return authorization number has been issued by customer service within 45 days after shipment
- Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number
- The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett Products, LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice machine warranty

Follett offers a wide range of Chewblet®, cube and flake ice machines in a variety of capacities. Available in top mount or RIDE® (ice-through-a-tube) configurations, these systems provide flexible installation options to meet your specific needs. Follett's unique Ice Manager™ diverter valve system allows a single Horizon Elite™ ice machine to supply two separate storage units, each located up to 75 ft (22.9 m) away, offering greater flexibility in system design and installation.

Warranty

Maestro Plus™ and Horizon Elite ice machines and remote condensing units, Ice Manager diverter valve system

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

Note: C1414W models used in marine/shipboard applications carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

IM series ice machines

Follett Products, LLC warrants to the original end user that all icemaker parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from the date of shipment. Parts and labor for repair are covered under this warranty for the full 3 year period. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The evaporator shall be covered for parts and labor for a period of 5 years from the date of installation.

The compressor shall be covered for parts only for a period of 5 years from the date of installation.

IU series ice machines

Follett Products, LLC warrants to the original end user that all icemaker parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from the date of shipment. Parts and labor for repair are covered under this warranty for the full 3 year period. The compressor shall be covered for parts for a period of 5 years and labor for a period of 3 years from the date of installation.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.
Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Ice and beverage dispensers warranty

Attractive low-profile ice and beverage dispensers with below-counter ice storage for a wide variety of foodservice applications. Perfect for beverage islands because visibility is not restricted. Models include QuickCARB™ beverage manifold so changing from carbonated to non-carbonated beverage is as easy as the flip of a lever.

Warranty

Vision ice and beverage dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Note: Marine units carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Follett commercial blast chillers and blast freezers are designed to rapidly chill and shock freeze ingredients and prepared food down to safe temperatures, quickly.

THREE YEAR LIMITED PARTS AND LABOR WARRANTY

For three years from the date of shipment from the factory this warranty covers all parts and labor to repair or replace any part of the referenced Follett Products, LLC product (the "Equipment") that under normal use proves to be defective in materials or workmanship. This warranty is conditioned upon you promptly notifying Follett Products, LLC of any claims, and providing Follett Products, LLC with all data and information requested by Follett Products, LLC or its service agents in connection with such claims as well as all necessary access to your premises and the Equipment. All service provided by Follett Products, LLC under the above warranty must be performed by a Follett Products, LLC factory authorized servicer and dispatched from the factory, unless otherwise specified by Follett Products, LLC. Warranty labor is provided at straight time only.

LIMITED FIVE YEAR COMPRESSOR PARTS ONLY WARRANTY

For five years from the date of original purchase, Follett Products, LLC will cover the following parts only (no labor) if they prove to be defective under normal commercial use: compressor.

WARRANTY TERMS

These warranties apply only to Equipment installed in any one of the fifty states of the United States, the District of Columbia, or the ten provinces of Canada. The Equipment must be installed, operated, and maintained in accordance with Follett Products, LLC Brand User, Installation and Service Guides, copies of which were provided to you with the Equipment or otherwise will be furnished to you upon request. Further, this warranty applies only to Equipment shipped from the Follett Products, LLC facility after May 1, 2026 and purchased from an authorized dealer.

Except as provided in the Limited Warranty above, the Equipment is provided "as-is". Follett Products, LLC disclaims all other warranties, express, statutory or implied, including without limitation, the implied warranties of title, non-infringement, merchantability and fitness for a particular purpose. Follett Products, LLC does not warrant that the Equipment will meet your specifications or needs. You acknowledge that you are solely responsible for the selection of the Equipment and determining the suitability of the Equipment for your needs. The warranties only apply to the original purchaser and are non-transferable. Service must be dispatched from Follett Products, LLC to be eligible for warranty coverage. The warranties apply to units operated outside only if designed for outdoor use by model and serial number. Business instruction on how to use your product is not covered by these warranties. Food, beverage,
and medicine loss are not covered by these warranties. Use of non OEM parts will void this warranty.

If the Equipment is located in an area where Follett Products, LLC factory authorized service is not available, you may be responsible for a trip charge or you may be required to bring the Equipment to a Follett Products, LLC factory authorized service location at your own cost and expense.

Units purchased after use as floor displays, and/or certified reconditioned units, are covered by the limited one year warranty only and no coverage is provided for cosmetic defects.

To maintain warranty coverage, all preventative maintenance procedures outlined in the Use and Care Manual must be followed.

Equipment that is not installed, operated and maintained in accordance with Follett Products, LLC's Use and Care Manual or other written materials provided to you by Follett Products, LLC or available for the Equipment (as may be updated by Follett Products, LLC from time to time, the "Manual"), a copy of which is provided to you with the Equipment or otherwise will be furnished to you upon request, is excluded from this warranty. This warranty does not apply to damage or failure which results, in

Follett Products, LLC's or its service agent's sole opinion, from failure to provide a suitable installation and operating environment (including power and HVAC if applicable) and facilities as prescribed by the Manual, misuse, abuse, accident or improper use, neglect, power failure or power surges (over or under voltage), or to damage or failure from flood, fire, lightning or other natural or man-made disasters, or other Acts of God, or to Equipment that has missing or altered serial numbers.

Modifications and Repair: Equipment that has been modified or altered by persons other than Follett Products, LLC's or its service agents, or Equipment that has had non-approved devices or connection items attached thereto, is excluded from coverage under this warranty. Repair of the Equipment by anyone other than Follett Products, LLC's or its authorized service agents will void all warranties on the Equipment.

Accessories: Accessories and parts (collectively "Accessories") that are consumed in the normal course of Equipment operation or maintenance are excluded from this warranty. Failure of or damage to Equipment or components from the use of non-approved cleaning chemicals, devices or processes is also excluded from this warranty.

Warranty Service, Exclusive Remedy

Follett Products, LLC will be solely responsible for determining whether or not the Equipment or any component thereof is defective. Defective components covered by this warranty will be repaired or replaced at Follett Products, LLC's option without charge to you and such repaired or replacement components will be covered by this warranty for the balance of the Warranty Period. Parts used in the repair of defective components and replacement components may be new, recovered or rebuilt. At its sole option, Follett Products, LLC may decide to replace defective Equipment covered by this warranty with new, recovered or rebuilt Equipment of equal or greater capability, and such Equipment will be covered by this Limited Warranty for the balance of the Warranty Period. Defective Equipment and components will become the property of Follett Products, LLC. This paragraph states Follett Products, LLC's sole and exclusive obligation and liability and your sole and exclusive remedy under this warranty. Follett Products, LLC shall not be responsible for a failure to provide warranty services due to causes beyond Follett Products, LLC's or its service agents' control.

Warranty Claims

Claims under this warranty must be reported to Follett Products, LLC under such reporting service as Follett Products, LLC may designate. Upon receipt of the claim and related information and preliminary verification that the claim is valid, Follett Products, LLC will promptly notify an authorized service agent to contact you and arrange for an on-site repair visit during the service agent's normal working hours. Any costs incurred by Follett Products, LLC or its service agent associated with a service agent being refused or unable to gain access to the Equipment on your premises, or a claim not covered by this warranty, will be charged to you.

Disclaimer of Damages

Follett Products, LLC disclaims all incidental, special and consequential damages, including but not limited to loss of use, lost revenue or profits, or substitute use, suffered by you or any third party, whether arising in contract, tort (including negligence), or otherwise, resulting from any breach by Follett Products, LLC or its service agents of this warranty, or resulting from the manufacture, use, or defects, of or in the Equipment, even if Follett Products, LLC was apprised of the possibility of such damages.

Customer Indemnity

You agree to indemnify, defend and hold Follett Products, LLC harmless from all third-party claims, demands, judgments, fees and costs directly or indirectly arising out of or related to your use of the Equipment. You further agree to indemnify and hold Follett Products, LLC harmless from any incidental, consequential or special damages suffered by you, including lost revenue or profits, loss of use, or substitute use, during periods of Equipment failure or loss of use.

Governing Law, Entire Warranty

This warranty shall be governed and construed in accordance with the laws of the State of Pennsylvania, USA (except with respect to its provisions regarding conflicts of laws). The warranty described herein is the complete and only warranty for Equipment and supersedes all prior oral or written agreements and understandings that may have existed between us relating to Equipment warranties. The terms of this warranty may not be altered, amended or modified except by a signed writing from Follett Products, LLC. Any purported alteration, amendment or modification by a service agent or anyone else will not be enforceable against Follett Products, LLC.

Charges for Non-Warranty Service or Rejection of Service Visit

In the event that repairs, replacement or service are provided by Follett Products, LLC's service agents for work not covered by this limited warranty, customer agrees to pay the service agent directly according to the service agent's normal scale of charges. In the event Follett Products, LLC is invoiced by the service agent for services not covered under this extended warranty, Follett Products, LLC will invoice customer and customer will pay such invoice based on terms of net 10 days. Customer also agrees to pay any cost incurred by Follett Products, LLC or its service agent associated with a service agent responding to a call for service, but then being refused or unable to gain access to the Equipment on Customer's premises. Failure to submit payment may, at Follett Products, LLC's discretion, result in Follett Products, LLC voiding the balance of the warranty. In no event will Follett Products, LLC authorize service to a customer with an outstanding Non-Warranty invoice.

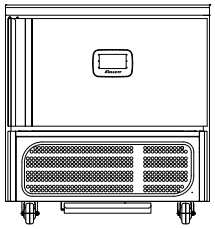

For parts and service assistance, or to find factory authorized service near you, contact Follett Products, LLC at +1 (877) 612-5086 or +1 (610) 252-7301.
