Follett Authorized Services - Countertop and Undercounter Refrigerators and Freezers

Authorized delivery, installation and start-up options

FOLLETT CONTRACT SERVICES STANDARD TERMS AND CONDITIONS

Authorized Service quotation assumes the start-up and/or installation site is prepared as follows:

- Follett LLC (hereafter Follett) or its agent will not transport equipment up or down stairs. If required, a freight elevator must be available.
- All halls, doors path to the final installation location must provide free and clear access.
- This service offering does not cover special validation processes required by 3rd party organizations.
- Site conditions, i.e., ceiling height, cabinet clearances, clearances to walls, structures, adjacent equipment, etc., will be in accordance to the Follett specifications as indicated by Follett.
- Dedicated 115 V/60 Hz 15 amp outlet must be available within 5 feet of equipment location.
- Should the installation site not be ready when Follett or its installer arrives, any additional expenses incurred by Follett will be charged over and above the amount of this quotation.
- Acquisition and cost of permits, inspections, variances, etc., are not included in this quotation and will be the responsibility of others.
- Reinforcement of walls, floors, or modifications to any structural or functional item that needs to be completed to facilitate the installation of the Follett equipment will be the responsibility of others.
- Special installation items, materials, or conditions required by local, municipal, or state codes are not included in this quotation and are the responsibility of others.
- Special materials, precautions, personnel, permits, etc., to satisfy local, municipal, state, or any codes other than national building codes are the responsibility of others.
- Special anchors, hurricane ties, seismic anchoring etc. and labor that may be required for securing are the responsibility of others.
- Fire proofing, explosion proofing, etc., of any or all parts of the installation or equipment to be installed are the responsibility of others.
- Follett or its installer reserves the right to decline services, materials, labor, etc., that will create or require Follett or its installer to work in or provide an unsafe environment.
- Follett or its installer will furnish the necessary installation labor between the hours of 7:00 a.m. and 4:00 p.m., Monday through Friday, excluding holidays. Overtime/premium rates are not included in this quotation.
- Travel charges in excess of thirty (30) minutes and/or thirty (30) miles each way will be charged over and above the amount of this quotation.
- Prevailing wage stipulations, union membership/trade union requirements/contributions are not included in this quotation. This quotation assumes open job site merit-based contractors. Any charges incurred due to union/trade-related issues, wages, etc., are not included in this quotation.
- Follett or its contractor is not responsible for acts of God, fire, weather, theft, or vandalism that results in additional charges not included in this quotation.
- At the sole discretion of Follett, any or all requests for changes, additions, or modifications to this quotation will require completion of the Follett Installation Change Order Request by the equipment purchaser. Failure to comply with the request for change order process may result in delays for which Follett or its installer will not be liable.
