Medical-grade refrigerators and freezers

Follett medical grade refrigerators and freezers provide the consistent, stable temperatures and access security required for patient floor, lab and pharmacy applications. Heavy-duty compressors and powerful forced-air cooling provide exceptional temperature consistency, quick temperature pull down and rapid recovery following door openings.

Warranty

Medical-grade countertop and undercounter refrigerators and freezers

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty.

The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

Medical-grade upright refrigerators and freezers

Follett LLC warrants to the original purchaser that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty.

The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty.
4. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
5. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
6. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Unless otherwise directed, Follett will contract for carriage at buyer's risk and expense**
- **FCA Easton, PA USA Incoterms 2010**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Follett authorized services[1] – Authorized delivery, installation, and start-up options

Authorized delivery

Equipment is shipped via Follett logistics partner, delivered to customer's facility, and positioned in final customer-designated location by certified technicians. All packaging material is removed from unit and discarded.

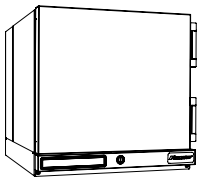

Authorized delivery, installation and start-up

Equipment is shipped via Follett logistics partner, delivered to customer's facility, and positioned in final customer-designated location by certified technicians. Certified Follett technician will remove and discard all packaging material, install casters, make all electrical connections, and complete set up to ensure the unit is fully operational and ready to be used by customer.

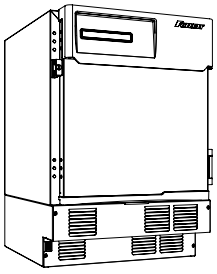

For additional product information and terms and conditions, request form# 6740 for countertop and undercounter refrigerators and freezers or 8280 for single door and double door upright refrigerators and freezers.

Ice and water dispensers

Follett ice and water dispensers are chosen by more healthcare facilities than any other brand for good reason. We offer the industry's largest selection, with more than 30 sizes and configurations to meet the needs of virtually any application. Designed specifically for healthcare, Follett dispensers offer 12, 25, 50 or 90 lb of storage in attractive, space-saving cabinets, with customer-valued features, exceptional reliability, and after-the-sale service and support.

Warranty

Symphony Plus™ ice and water dispensers

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products sold outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual.
4. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty.
5. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
6. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
7. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Unless otherwise directed, Follett will contract for carriage at buyer's risk and expense**
- **FCA Easton, PA USA Incoterms® 2010**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

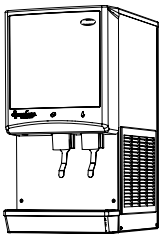

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

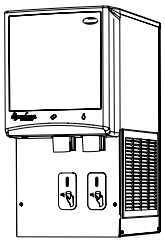

Symphony Plus 12 series ice and water dispensers

Countertop and wall mount ice and water dispensers with 12 lb (5.4 kg) of storage. Integral ice machine produces up to 425 lb (193.0 kg) of ice per day. Stainless steel cabinet with accent trim. Water station included. Choose appropriate item number for SensorSAFE™ infrared dispensing or lever dispensing. Wall mount models only available with SensorSAFE infrared dispensing.

For additional information request form# 6620 for 12CI models, 6625 for 12HI models, or 6940 for E12CI and C12CI models.

Ice machines

Compact, reliable Chewblet® extruded ice and flake ice machines in a variety of sizes to meet your needs. Choose from top mount or RIDE model configurations (extruded only).

Warranty

Maestro Plus™ and Horizon Elite™ series ice machines, integrated icemaker bin

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products sold outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual.
4. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty.
5. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
6. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
7. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Unless otherwise directed, Follett will contract for carriage at buyer's risk and expense**
- **FCA Easton, PA USA Incoterms 2010**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

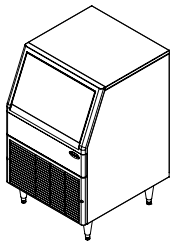

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

425 series – Integrated icemaker bin

Flake (UF) or Micro Chewblet™ (UM) ice machines with 75 lb (34 kg) of bin storage for undercounter or freestanding applications.

Stainless steel exterior with moderate production and storage capacity in a small footprint.

For additional product information, request form# 6420.

[1] All dispensers must be configured for nugget ice. See dispenser manufacturer for appropriate nugget ice kits, if required. Approved dispensers for top mount ice machine applications are listed above.
[2] Top kit MSF30SC required with Coca-Cola Freestyle 7000. Top adapter 46412 and ice kit 46430 must also be ordered from Coca-Cola.
[3] Consult with Coca-Cola and Follett to qualify application prior to ordering.
[4] RIDE application is approved only for Pepsi Spire 3.0 and 5.0 designed for top mount ice machines and requires MSP24SC for 3.0 and MSP30SC for 5.0, ordered separately. For manual fill versions of Pepsi Spire 3.0 and 5.0, contact factory.
[5] Adapter must also be ordered from Coca-Cola. KO IC Code: 46010 (Silver), 46011 (Red) or 46012 (Black).
[6] Coca-Cola Freestyle 7000 requires top adapter 46412 and ice kit 46430, which must be ordered from Coca-Cola.

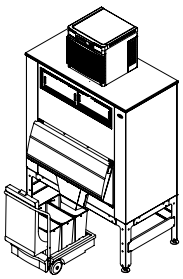

710 series – Horizon Elite Chewblet ice machines for ice storage bins

Ice machines with RIDE remote ice delivery equipment include 10' (3 m) of insulated ice transport tube. Maximum run length of ice transport tube is 75' (22.8 m).

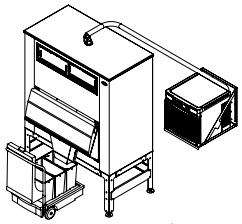

Refer to ice storage, ice transportation and ice handling section on page 33 of the price list for capacities and sizes of bins available.

Micro Chewblet – For smaller Chewblet ice (approximately 3/8" long), replace second character of Horizon model number with "M". Example HCD710ABT becomes HMD710ABT. Add $235 to list price.

For additional product information, request form# 8225.

Ice storage, ice transport and ice handling

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need. All with features that can make your ice management easier, safer, and more sanitary than you ever thought possible. Please visit www.follettice.com for more bin models than listed here.

Warranty

Slope front bins

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products sold outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
4. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
5. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
6. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD.**
- **Unless otherwise directed, Follett will contract for carriage at buyer's risk and expense.**
- **FCA Easton, PA USA Incoterms 2010**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Slope front bins

Small to medium capacity ice storage bins. Bin exterior for all models includes stainless steel front and sides. Bin interior includes polyethylene-lined walls and stainless steel bottom. All bins include stainless top, which is custom cut for ice machine(s) and 6.00" (15.24 cm) plastic adjustable legs.

For additional product information, request form# 9135.
