## Chewblet® Ice and Sparkling Water, Together at Last

The new 7 and 15 Series ice and sparkling water dispensers redefine the joy of refreshment. For the first time ever, enjoy premium sparkling water and Follett's signature, consumer-preferred Chewblet ice all in one innovative package. Only from Follett.

- 125 lb daily production of consumer preferred Chewblet ice
- Chilled sparkling water with small, dense bubbles similar to popular European brands of bottled sparkling water
- Chilled still (non-carbonated) water
- Sanitary dispensing via separate capacitive touch buttons for ice, sparkling, and still water
- Available as either countertop or freestanding models
