Warranty

Symphony Plus™ ice and water dispensers, Maestro Plus™ and Horizon Elite™ series ice machines

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

Vision™ ice and beverage dispensers

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

WARRANTY CONDITIONS

1. Labor warranty will apply only to equipment sold by the Follett Authorized Distributor in his designated territory.
2. Warranty labor must be performed by the local Follett Authorized Distributor or his designated service provider.
3. Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual.
4. The equipment has been installed and operated in compliance with instructions provided by Follett.
5. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
6. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
7. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
8. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

E7 and E15 Series ice and water dispensers

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual.
4. Dispenser is used in an application with less than 400 mg/l total dissolved solids in water and less than 200 mg/l hardness (either naturally occurring or treated with reverse osmosis or other TDS reducing technology).
5. Dispenser is not to be used with softened water.
6. Premature internal filter life due to poor supply water is not covered.
7. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty.
8. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
9. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
10. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett technical service at +1 877 612-5086 (US and Canada), +1 610-252-7301 or Follett Europe technical service at +48 (58) 785-6140, Fax +48 (58) 785-6159.

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **All prices in euros**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Pruszcz, Poland within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice machines

EXW Incoterms® 2010 – Wislina, Poland

Maestro Plus ice machine bins – 425 series

Flake (UF) or Micro Chewblet™ (UM) ice machines with 34 kg (75 lb) bin storage for undercounter or freestanding applications.

Stainless steel exterior with moderate production and storage capacity in a small footprint.

For additional product information, request form# 6785.
