

Follett® Authorized Services¹ for Upright Refrigerators and Freezers

Authorized installation and start-up

TechTrans will deliver the specified equipment to the point of use, uncrate and set in place, install casters and shelves (if required), complete set-up to ensure the unit is working fully, and remove and discard all debris. The installation team is not authorized to troubleshoot or provide service (see reverse for standard terms and conditions).

NOTE: This service is not available without a completed and signed Follett site survey², form# 8285. Please return completed site survey with purchase order to prevent delays in shipping.

³ Dock-to-dock common carrier freight charges provided as separate line item.

⁴ See terms and conditions, item 4, for electrical requirements.

FOLLETT AUTHORIZED SERVICES STANDARD TERMS AND CONDITIONS

Installation services are provided by Follett's authorized logistics partner. Please note the installation team is not authorized to troubleshoot or provide service to the unit(s), or recommend temperature or alarm settings for the unit(s). For additional support, please contact Follett at 800-523-9361 or your local sales rep.

Authorized Service quotation assumes the start-up and/or installation site is prepared as follows:

1. All halls, doors and path to the final installation location must provide free and clear access.
2. This service offering does not cover special validation processes required by 3rd party organizations.
3. Site conditions, i.e., ceiling height, cabinet clearances, clearances to walls, structures, adjacent equipment, etc., will be in accordance with Follett's specifications.
4. Dedicated 115 V/60 Hz 15 amp outlet available within 5 feet of equipment location for single door upright refrigerators and dedicated 115 V/60 Hz 20 amp outlet available within 5 feet of equipment location for double door upright refrigerators and single door upright freezers.
5. Should the installation site not be ready when Follett or its installer arrives, any additional expenses will be charged to the customer.
6. Acquisition and cost of permits, inspections, variances, etc., are not included in this quotation and will be the responsibility of others.
7. Reinforcement of walls, floors, or modifications to any structural or functional item that needs to be completed to facilitate the installation of the Follett equipment will be the responsibility of others.
8. Special installation items, materials, or conditions required by local, municipal, or state codes are not included in this quotation and are the responsibility of others.
9. Special anchors, hurricane ties, seismic anchoring, etc. and labor that may be required for securing are the responsibility of others.
10. Fire proofing, explosion proofing, etc., of any or all parts of the installation or equipment to be installed are the responsibility of others.
11. Follett or its installer reserves the right to decline services, materials, labor, etc., that will create or require Follett or its installer to work in an unsafe environment.
12. Follett or its contractor is not responsible for acts of God, fire, weather, theft, or vandalism that result in additional charges not included in this quotation.
13. At the sole discretion of Follett, any or all requests for changes, additions, or modifications to this quotation will require completion of the Follett Installation Change Order Request by the equipment purchaser. Failure to comply with the request for change order process may result in delays for which Follett or its installer will not be liable.

Pre-Installation Site Survey – Refrigerators and Freezers

Please return completed site survey to customerservice@follettice.com
along with your purchase order to prevent a delay in order processing.

Authorized installation and start-up

This form is required to help ensure smooth delivery and installation of your equipment. Please complete this checklist for each piece of equipment being installed and return as soon as possible. Follett Authorized Delivery and Installation cannot be offered without a completed and signed Site Survey.
