

Follett Solutions for Patient Safety

Countertop refrigerators

Undercounter refrigerators

Symphony Plus ice and water dispensers

Follett ice and water dispensers and medical-grade refrigerators and freezers support patient safety.

Medical-grade refrigerators and freezers

- Outstanding temperature consistency to protect patient medication and food
- Heavy-duty stainless steel construction
- Compatibility with all medication dispensing and control alarm systems

Symphony Plus™ ice and water dispensers

- Antimicrobial product protection to inhibit microbial growth and improve sanitation
- Hands-free dispensing to reduce the risk of cross-contamination
- Small, chewable Chewblet® ice for patient safety
- Models, capacities and configurations to meet your needs

Trust Follett's wide range of refrigerators, freezers and dispensers to support patient safety
