Shown with Horizon Elite ice machine

### Wall mount bracket

Wall mount bracket for Horizon Elite and Maestro Plus ice machines with RIDE technology conserves floor space. Allows ice machine to be located away from customer areas.

| Model                                                        | Configuration                              | Item number         |

<sup>1</sup> Height of bracket and ice machine.

<sup>2</sup> 414AS (Maestro Plus) oriented with utilities to left side on wall mount bracket.

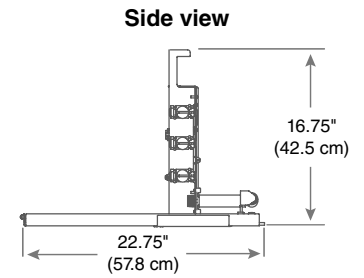

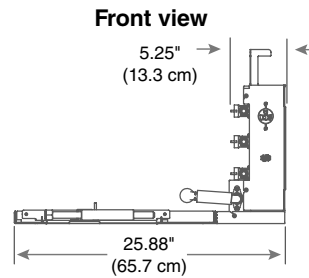

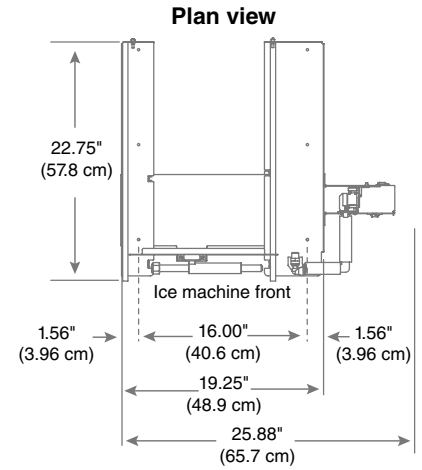

| Model  | Item number           |
|--------|-----------------------|
| D414AS | 01068477 <sup>1</sup> |
| E414AS | 01336494              |

<sup>1</sup> Compatible with AFR400STND accessory.

## Slide-out stand

Slide-out accessory for Maestro Plus ice machines with RIDE technology allows easy access for service and cleaning without disconnecting utilities. Includes front leg to support ice machine.

## Line set

Line set for connecting Horizon Elite evaporator units to their remote condensing unit. Lines are cleaned and capped (no quick connect) without a pre-charge of refrigerant. Connections must be brazed.

| Model                             | Line size                             | Length       | Item number |
|-----------------------------------|---------------------------------------|--------------|-------------|
| 1012R, 1412R, 1811R, 1812R, 2112R | 3/8" liquid, 7/8" suction (insulated) | 35 ft (11 m) | 00977785    |

## Timer

Timer to control one or two Horizon Elite ice machines.

| Model                                                       | Item number |
|-------------------------------------------------------------|-------------|
| 710A, 714A, 1010A, 1412R, 1811R, 1414A, 1414W, 1812R, 2112R | 00967265    |
